

## LORD JESUS, I ADORE YOU

Lord Jesus, I adore You  
and will worship You.  
You're my Lord  
and my Redeemer and my Savior too.  
For Your Name is above all things  
that have a name.  
And I will love You  
and not be ashamed.

God of all grace,  
You bowed Your face  
to the earth below.  
You left Heaven  
to be given  
for love to outflow.  
You were once rich,  
reached in the ditch  
to lift me out;  
And for my sake became poor,  
Lord so devout.

Jesus Master, follow after  
His words fresh and good.  
Not one spoken  
will be broken,  
keep them as I should.  
For You've said them,  
and I've read them  
to make You proud.  
I'm rich in the love  
You bled for and endowed.
